

Accident Liability: When dealing with children accidents can occur frequently. Although we do everything in our power to keep children safe, some accidents are inevitable and without fault. Oakwood Academy will not be held liable for any no-fault accident that involves the need for outside medical attention. Oakwood Academy may (at its discretion) pay for out of pocket expenses when proper documentation is presented.

Allergy Liability: Many children suffer from severe food allergies. Please understand that we will do our very best to protect against this happening, *(removing all peanut products from our menu and consistently posting notices)*, occasionally a child or parent will forget and send peanut products in sack lunches or children will bring snacks in their backpacks and pockets. For those reasons we cannot be held liable for illness or injury related to allergies.

Water Park Liability Waiver: During the summer months, Oakwood Academy plans field trips to local water parks. Children ages 4-6 participate in shallow area activities only, but there are deep areas in the park. Children ages 7-12 who can demonstrate their ability to swim may participate in deep water activities that include diving boards and slides. We ONLY visit city water parks that are monitored by lifeguards. With that said, there is always the change for accident and injury during these field trips. By signing this document you understand and agree that Oakwood Academy will not be held responsible or liable for any no-fault accident or injury.

*\*\*\*\*\*I have read and understand this addendum to the Parent Handbook and agree to its contents.*
